

Vimy Resources Limited
Stakeholder Consultation 2008 – October 2015

DATE	STAKEHOLDER	TOPIC	BY	ITEMS RAISED
2015				
29 October 2015	Shire of Menzies	MRUP Update	AP	<ul style="list-style-type: none"> MRUP Update
28 October 2015	Kalgoorlie-Boulder Chamber of Commerce and Industry	‘What’s Down the Track’ industry forum	AP	<ul style="list-style-type: none"> MRUP update
27 October 2015	EPA Helen Butterworth Mark Jefferies Richard Sutherland	MRUP PER progress and draft Section 43a	AP, JT, David Rushton (Golder)	<ul style="list-style-type: none"> Draft 43a discussed for appropriate content and structure PER update on revisions
23 October 2015	AngloGold Ashanti Australia John Millikan Tim Prentice	Community and Stakeholder Engagement Aboriginal engagement	JT, Charlie Wilson-Clark (Golder)	<ul style="list-style-type: none"> Experiences with Aboriginal economic development. Approach to heritage and surveys
29 September 2015	Department of Aboriginal Affairs Cesar Rodriguez Ryan Crawford	MRUP update and discussion of DER comments on PER review	JT, AP	<ul style="list-style-type: none"> DAA comfortable with the approach Vimy is taking on heritage matters. Acknowledged recent disputes between Wongatha, GLSC and Spinifex peoples.
23 September 2015	Department of Mines and Petroleum Daniel Endacott (DMP) Graham Cobby (DMP) Thomas Kim (DMP) Emily Safe (DMP) Ian Mitchell (DMP)	MRUP update and discussion of DER comments on PER review	AP, XM, JT, David Rushton (Golder)	<ul style="list-style-type: none"> Overall feedback that impacts from the project will not be major Wanted to see greater clarity on solute transport modelling to ensure it is reflective of actual site conditions DMP comfortable with submitted MCP
14 September 2015	Meeting with Department of Environment Regulation and Environmental Protection Authority Steve Appleyard (DER) Louise Lavery (DER) Helen Butterworth (OEPA) Richard Sutherland (OEPA) Robert Hughes (OEPA)	MRUP update and discussion of DER comments on PER review	AP, XM, John Waterhouse (Golder)	<ul style="list-style-type: none"> Discussion of in-pit tailings, recognition there was a lack of receptors likely to be impacted. Potential soil contamination effects from stockpiled ore/mineralised waste. Discussion re how Vimy will manage this.
25 August 2015	WA Minister for Environment, Albert Jacobs	MRUP Update	MY, CE, JT	<ul style="list-style-type: none"> Project overview
18 August 2015	Duncan Gibbs, AngloGold Ashanti	Email query regarding haul road access for trial mining period	XM	<ul style="list-style-type: none"> Sought guidance on the information and notice required to use Tropicana access road Provided contacts for Tim Mortimer as manager of trial mining program
6 August 2015	Aubrey Lynch	Indigenous employment	MY, JT	<ul style="list-style-type: none"> Local indigenous employment opportunities
6 August 2015	Linda Crook - Office of Rick Wilson, MP	MRUP Update	MY, JT	<ul style="list-style-type: none"> Project Overview

DATE	STAKEHOLDER	TOPIC	BY	ITEMS RAISED
5 August 2015	Kalgoorlie-Boulder Chamber of Commerce and Industry – Hugh Gallagher, Lee Jacobsen + Others	MRUP Update	MY, JT	<ul style="list-style-type: none"> Project overview and opportunities for Kalgoorlie business community
5 August 2015	Tisala Pty Ltd, Pinjin Station Meeting with Lawrence Thomas and Steve Kean	Introduction Potential use of Pinjin station resources to advance MRUP	MY, XM	<ul style="list-style-type: none"> Capability statement from Pinjin station regarding heavy machinery and Lawrence Thomas Use of Pinjin airstrip for medivac purposes in an emergency MRUP Transport options MRUP proposed timeline Indigenous employment opportunities
3-5 August 2015	Diggers and Dealers conference, Kalgoorlie	Vimy	MY, JT, TC	<ul style="list-style-type: none"> Project update
3 August 2015	Tisala Pty Ltd, Pinjin Station Lawrence Thomas manager	Letter received requesting meeting during Diggers and Dealers	MY, JT	<ul style="list-style-type: none"> Letter sent to Vimy office requesting a meeting to discuss potential for using earthmoving equipment at Pinjin Station.
30 July 2015	Meeting with Office of Environmental Protection Authority	Geotechnical Investigations.	TC, XM	<ul style="list-style-type: none"> Ability to do investigations within constraints of PER process.
14 July 2015	Meeting with Department of Mines and Petroleum	Justification and description of proposed work program Permitting of proposed activities Site clearance Works supervision Reporting	XM, Kristy Sell and David O'Brien (MBS)	<ul style="list-style-type: none"> Geotechnical aspects of the proposal Level of permitting (Mining proposal level) Clearing permit Requirement for a Project Management Plan Water licensing for dewatering purposes Update to Radiation Management Plan OH&S matters
16 June 2015	Ron Harrington-Smith, Traditional Owner	MRUP and Aboriginal engagement	JT	<ul style="list-style-type: none"> Mr Harrington-Smith came by the Vimy office and said he was about to lodge a new native title claim over Great Victoria Desert JT provided project overview and said Vimy was prepared to negotiate with TOs whether there was an active claim or not Mr Harrington-Smith was part of the previous amalgamated Wongatha claim, he said a new native title claim would force Vimy to negotiate JT clear that Vimy is prepared to negotiate.
2-3 June 2015	Minerals Week 2015 in Canberra	Various discussions with Federal politicians about Uranium	MY	<ul style="list-style-type: none"> One stop shop process S.A. Royal Commission on nuclear Discussions with DMAs
23 April 2015	Interview with Paul Garvey, The Australian	Vimy	JT, MY	<ul style="list-style-type: none"> Project Update
9 April 2015	Meeting with GMP Securities (investment analysts)	Dynamics of the Uranium market	JT	<ul style="list-style-type: none"> Economics of Uranium
9 April 2015	Meeting with Mike Erickson, AngloGold Ashanti	Reducing environmental impacts	MY	<ul style="list-style-type: none"> Access agreement Sharing of infrastructure and synergies between projects

DATE	STAKEHOLDER	TOPIC	BY	ITEMS RAISED
16 March 2015	Presentation to DPaW – Mulga Rock	Technical studies	XM, LM, CW	<ul style="list-style-type: none"> Flora mapping methodology to date Sandhill dunnart camera trapping protocol Impact of November 2014 bushfire DPaW’s expectations for PER submission
12 March 2015	Interview with Peter Klinger, The West Australian	Mulga Rock Uranium Project Update	MY, JT	<ul style="list-style-type: none"> Project update
March 2015	NSW Department of Primary Industries (DPI) Biosecurity NSW P. Meek	Camera Trapping Program	XM	<ul style="list-style-type: none"> Camera recommendations, trapping methodology for small mammals, detectability of small mammals, peer review of protocol
25 February 2015	RIU Explorers Conference – Presentation by Mike Young	Mulga Rock Uranium Project Update	MY, JT, XM	<ul style="list-style-type: none"> Project ranking Uranium industry update MRUP update
24 February 2015	Presentation by Xavier Moreau at CET Discovery Day	Detailed geological presentation	XM	<ul style="list-style-type: none"> History of MRUP project Discovery and evolution of understanding of local geology and mineralisation
20 February 2015	Interview with Matt McKenzie, WA Business News re Uranium feature	Vimy	JT, MY	<ul style="list-style-type: none"> Project Update
19 February 2015	Meeting with Board of EPA and presentation of Mulga Rock Project	Environment around MRUP Areas of wildfire Original native title claim boundaries Use of water Uranium and other radionuclides Lignite and oxidation	JT, MY, XM	<ul style="list-style-type: none"> Presentation of MRUP Discussion of main Preliminary Main Environmental Factors (PKEFs) Environmental receptors Groundwater quality Closest communities
18-19 February 2015	Project roadshow – brokers in Sydney and Melbourne	Dynamics of the Uranium market		<ul style="list-style-type: none"> Economics of Uranium/MRUP Project
18 February 2015	Meeting with Daniel Liu, Zeus Resources (owners of neighbouring uranium project)	Cumulative impacts	JT, MY	<ul style="list-style-type: none"> Project update Permitting timeline
18 February 2015	Meeting with Angela McDonald Smith, Australian Financial Review	Mulga Rock Project introduction	JT, MY	<ul style="list-style-type: none"> Project introduction
17 February 2015	Meeting with Wendy Black, Chief of Staff to Greg Hunt, Minister for the Environment (in Canberra) and Erin Pears (Assistant Adviser)	Mulga Rock Project introduction	JT, CE	<ul style="list-style-type: none"> Transition permitting framework (single assessment, dual approval) Matters of National Environmental Significance (MNES) Timing of permitting
17 February 2015	Meeting with Martin Codina, Chief of Staff to Josh Frydenberg, Assistant Treasurer (in Canberra)	Mulga Rock Project introduction	JT, MY	<ul style="list-style-type: none"> Project introduction
17 February 2015	Meeting with Gary Gray, Shadow Minister for Resources (in Canberra)	Mulga Rock Project introduction	JT, MY	<ul style="list-style-type: none"> Project and industry update
16 February 2015	Meeting with Sarah McNamara, Chief of Staff to Ian Macfarlane, Minister for Industry and Science (in Canberra)	Mulga Rock Project introduction	JT, MY	<ul style="list-style-type: none"> Project and industry update
16 February 2015	Meeting with Lyall Howard, Chief of Staff to Andrew Robb, Minister for Trade and Investment (in Canberra)	Mulga Rock Project introduction	JT, MY	<ul style="list-style-type: none"> Project and industry update

DATE	STAKEHOLDER	TOPIC	BY	ITEMS RAISED
16 February 2015	Meeting with Rick Wilson, Member for O'Connor (in Canberra)	Mulga Rock Project introduction	JT, MY	<ul style="list-style-type: none"> Project and industry update
12 and 13 February 2015	Presentations to Perth brokers of 'Uranium 101' – discussion of uranium market	Dynamics of the Uranium market	JT	<ul style="list-style-type: none"> Project and primary uranium production update
15 January 2015	Presentation to Department of Parks and Wildlife. DPaW representatives: Murray Baker Stephen van Leeuwen Manda Page Mark Cowan	Wildlife camera trapping – update <ul style="list-style-type: none"> Project setting and key characteristics Fauna survey efforts at Mulga Rock Camera surveying at Mulga Rock Future camera trapping efforts and consultation with DPaW Update on Mulga Rock Project and future engagement between DPaW and Vimy	CE, JT, XM, GB, CW	<ul style="list-style-type: none"> Camera trapping work carried out to date (pilot and targeted surveys) Impact of November 2014 bushfire on trapping methodology Concerns about ecology of Sandhill dunnarts and habitat ranking
2014				
28 November 2014	Annual General Meeting of EMA Shareholders	Update on Mulga Rock Project	MY, JT, XM	<ul style="list-style-type: none"> Timing of permitting
25 November 2014	AngloGold Ashanti (on behalf of Tropicana Joint Venture) Launch of The Great Victoria Desert Biodiversity Trust	Great Victoria Desert	JT, TC, CE	<ul style="list-style-type: none"> Opportunities for co-operation
25 November 2014	Minerals Council of Australia - Uranium division	Dan Zavattiero	JT	<ul style="list-style-type: none"> Project update
19 November 2014	Meeting with EPA re Environmental Scoping Document	Paul Vogel, EPA Chairman Kim Taylor, EPA Anthony Sutton Mark Jefferies Robert Hughes, Senior Environmental Officer Helen Butterworth, Senior Environmental Officer		<ul style="list-style-type: none"> Timing of ESD and PER submission Update of individual DMAs On-going baseline studies Heritage matters
14 November 2014	Meeting with Department of Water (DoW)	<ul style="list-style-type: none"> Project setting and key characteristics Project description <ul style="list-style-type: none"> Existing groundwater condition Mine dewatering Borefield Process water Re-injection Current and future work Feedback from other DMAs to date Guidance sought from DoW 	XM, JT, GB	<ul style="list-style-type: none"> Mine dewatering Re-injection (MAR) Cumulative impact Timing of construction

DATE	STAKEHOLDER	TOPIC	BY	ITEMS RAISED
11 November 2014	Sandhill Dunnart Workshop run by DPaW and Great Victoria Desert Biodiversity Trust attended by various members of DPaW, DMP, various environmental consultants, Edith Cowan University, University of Adelaide, Charles Darwin University	<ul style="list-style-type: none"> Current knowledge: <ul style="list-style-type: none"> legislative overview and agency knowledge ecology, population biology and habitat requirements – both WA and SA/NT Impact of fire and other habitat variables Key threats to be mitigated Knowledge gaps Research and management priorities Bio-regional plan <p>Next steps</p>	GB, CW	<ul style="list-style-type: none"> SHD ecology Differences between WA and SA communities Trapping methodologies and respective efficiency Knowledge gaps
22 October 2014	Chamber of Minerals and Energy - Radiation Management Network	<ul style="list-style-type: none"> Update on uranium projects in WA Review of WA NORM guidelines Key development in radiation safety 	XM	<ul style="list-style-type: none"> Timing of project Similarities with mineral sands operations
15 October 2014	Meeting re ESD response		JT, CW, LM	<ul style="list-style-type: none"> Changes to Sandhill dunnart camera trapping protocol
19 September 2014	Follow-up meeting re SRE/stygofauna – Dalcon	Environmental studies		<ul style="list-style-type: none"> Survey work
10 September 2014	Meeting to discuss stygofauna, troglafauna and SRE scope of works – Dalcon		JT, XM, CW	<ul style="list-style-type: none"> Scoping of field work according to DPaW guidelines
22 August 2014	<p>Department of Mines and Petroleum – Presentation to Mines Safety – Resource Safety Division</p> <p>Alana Field (or Wake), Senior Scientific Officer, DMP</p> <p>Mike Rowe, Inspector of Mines, Health, DMP</p> <p>Thomas Kim, Inspector of Mines, OSH, DMP</p> <p>Dean Crouch, Inspector of Mines, OSH, DMP</p>	<ul style="list-style-type: none"> Project setting and key characteristics Proposed timing Operational elements Environmental factors Baseline studies Bushfire regime characterisation Proposed work programs Issues 	JT, XM	<ul style="list-style-type: none"> Targeted Sandhill Dunnart survey Water reinjection Aboriginal Heritage Acceptability of disposal of processing waste into lower pit void <i>Hibbertia Crispula</i> Survey of borefield given extensive burning Data requirements - timing
8 August 2014	Meeting with Business News re article	Project update	JT, MY	<ul style="list-style-type: none"> Project update
6 August 2014	Meeting with Kalgoorlie Parks and Wildlife Office – Julie Futter, Ian Kealley	<ul style="list-style-type: none"> Project setting and key characteristics Proposed timing Operational elements Environmental factors Baseline studies Bushfire regime characterisation Weather data collection Water table data Groundwater quality and search drilling program <p>Radiation baseline activities</p>	JT, XM	<ul style="list-style-type: none"> Complementary nature of camera trapping and conventional trapping methods for small mammals Extent of survey for marsupial mole holes at MRUP Sharing of scientific data generated on site with regulators and non-government bodies Bushfire regime and safety and environmental implications

DATE	STAKEHOLDER	TOPIC	BY	ITEMS RAISED
6 August 2014	Presentation to Department of Mines and Petroleum – Operations, Environment, Kalgoorlie Laura Copeland Ian Mitchell	<ul style="list-style-type: none"> Project setting and key characteristics Proposed timing Description of current POWs Operational elements Environmental factors 	XM	<ul style="list-style-type: none"> Scale of operation Access options Provisional timing and resources involved
4-6 August 2014	Diggers and Dealers Conference	Mulga Rock Uranium Project Update	JT, MY, XM	<ul style="list-style-type: none"> Project update
3 August 2014	Meeting with Aubrey Lynch, Senior Wongatha	<ul style="list-style-type: none"> Update on Mulga Rock project, future work opportunities for Wongatha people, resolution of Wongatha/Pilki claims boundary, status of North East Independent Body Aboriginal Corporation (NEIB) 	JT, XM	<ul style="list-style-type: none"> Work done to date Commercial opportunities for local indigenous corporations on the MRUP over the coming years
1 August 2014	DMP Safety Update – Alana Field		XM	<ul style="list-style-type: none"> Occupational safety aspects of the project
28-31 July 2014	Site meeting with Mark Sonter and Colin Woolard		XM, MS, CW	<ul style="list-style-type: none"> Radiation gap analysis
16 July 2014	Australian Uranium Conference	JT Presentation	JT	<ul style="list-style-type: none"> Timing of correction in uranium prices and market
10 July 2014	General Meeting of EMA Shareholders	Update on Mulga Rock Project for shareholders and interested parties	MY, JT, XM	<ul style="list-style-type: none"> Funding options for the project
13 June 2014	Meeting with Belinda Bastow, AngloGold Ashanti		XM, CW	<ul style="list-style-type: none"> GVD Bioconservation Trust PER and EPBC matters
10 June 2014	Discuss seismic proposal with M. Urosevic, Department of Exploration Geophysics, Bentley	<ul style="list-style-type: none"> Trial low cost seismic at MRUP for: <ul style="list-style-type: none"> Hydrogeological assessment Geotechnical assessment Exploration potential Infrastructure sitting 	XM	<ul style="list-style-type: none"> Complexity of the weathering profile
28 May 2014	Meeting with Cesar Rodriguez, DAA		JT	<ul style="list-style-type: none"> Extent of surveys carried out to date Clarification with regards to lack of current and past Native Title Claims over the project
26-28 May 2014	Radiation and Permitting Meeting with Mark Sonter, Radiation Consultant	<p>Detailed review and strategy meeting covering:</p> <ul style="list-style-type: none"> Project Review Statutory Reporting Radiation in design of uranium plants Physical environment characterisation Waste characterisation Permitting Radiation safety technician mentoring Site infrastructure, equipment and facilities Communication Engagement with Community 	XM, CW, MW	<ul style="list-style-type: none"> Clarification in assessment of doses to workers (occupational)
26 May 2014	DMP Uranium Catch-up	<ul style="list-style-type: none"> Industry round table Likely development in uranium space 	XM	<ul style="list-style-type: none"> Timing of individual projects Potential road blocks

DATE	STAKEHOLDER	TOPIC	BY	ITEMS RAISED
May 2014	Department of Parks and Wildlife M. Cowan	<ul style="list-style-type: none"> Camera Trapping Program 	XM	<ul style="list-style-type: none"> Camera specifications, trapping methodology for small mammals, surveys in arid environments
May 2014	NSW Department of Primary Industries (DPI) Biosecurity NSW P. Meek	<ul style="list-style-type: none"> Camera Trapping Program 	XM	<ul style="list-style-type: none"> Camera recommendations, trapping methodology for small mammals, detectability of small mammals, peer review of protocol
9 April 2014	Meeting with Belinda Bastow, AngloGold Ashanti	<ul style="list-style-type: none"> Advice on MNES and permitting 	XM	<ul style="list-style-type: none"> Integration of regional datasets with MRUP-specific data
9 April 2014	Presentation to DPAW – follow-up meeting		JT, CW, XM	<ul style="list-style-type: none"> DPaW issues
4 April 2014	Meeting with Peter Crawford and Greg Dwyer, Shire of Menzies	Project update Closure of Mt Celia to Pinjin road to heavy vehicles	JT	<ul style="list-style-type: none"> Shire’s limited financial resources with regards to upkeep of shire roads
4 April 2014	Meeting with Dan Coffey and Nick Woolfrey DPaW re ESD Input: <ul style="list-style-type: none"> Project Conceptual Layout Operational Elements Environmental Factors Listing of Baseline Studies <ul style="list-style-type: none"> - Vegetation and Flora Studies - Key Findings - Regional Context - Tropicana PER - Fauna Studies 1985 -2014 - Fauna Survey Results - Status of Sand Hill Dunnart Surveys - Marsupial mole strategy/procedure - Stygofauna Pilot survey 2013 - Weather Data - Bushfire Study - Hydrology and Groundwater Studies - Groundwater Search 	Follow-up to presentation given to other DMA’s early February 2014 Main issues identified to date and how they are being managed Outline baseline studies undertaken or in progress Identify works to be undertaken to identify or predict the direct, indirect and cumulative impacts of the proposal and demonstrate that the EPA’s objectives for each factor can be met	XM, JT, CW	<ul style="list-style-type: none"> Targeted Sandhill Dunnart programme Targeted Marsupial Mole survey Water re-injection into paleoaquifers Progressive disposal of processing waster into lower pit void Pending surveys – SRE and subterranean fauna Rehabilitation research Offsets
26 February 2014	Andy Barnicoat, Chief Min. and Natural Hazards Division, Geoscience Australia	Email contact re Presentation and update on Mulga Rock Project	XM	<ul style="list-style-type: none"> Update on permitting and feedback

DATE	STAKEHOLDER	TOPIC	BY	ITEMS RAISED
5 February 2014	<p>State Government agencies:</p> <p>David Bowie, Principal Project Officer, DMP Approvals</p> <p>Graham Cobby, Senior Environmental Advisor, DMP Approvals</p> <p>Mike Rowe, Inspector of Mines – Health, DMP Resources Safety</p> <p>Thomas Kim, Inspector of Mines – OSH, DMP Resources Safety</p> <p>Alana Field, Senior Scientific Officer, DMP Resources Safety</p> <p>Dean Crouch, Inspector of Mines – OSH, DMP Resources Safety</p> <p>Daniel Endacott, Team Leader, DMP Environment</p> <p>Tony Bullen, GM Tenure and Native Title – DMP Mineral Titles</p> <p>Jim Cupitt, Senior Environmental Officer, DER Industry Regulation Licensing Branch</p> <p>Steve Appleyard, Supervising Hydrogeologist, DER</p> <p>Chris O’Boy, Specialist Hydrogeologist, DoW</p> <p>Gillian Phillips, Natural Resource Management Officer, DoW</p> <p>Robert Hughes, Senior Environmental Officer, EPA</p> <p>Helen Butterworth, Senior Environmental Officer, EPA</p> <p>Duncan Surin, Radiological Council, Health Physicist, DoH</p>	Mulga Rock Project presentation	JT, XM	<ul style="list-style-type: none">▪ Potential groundwater issues▪ Timeline of project▪ Handling of fibrous or radioactive material in the overburden▪ Department of Parks and Wildlife – nature of engagement in project so far. DPaW did not attend meeting but follow-up to be organised.▪ Sandhill dunnart▪ Involvement of radiation and groundwater specialists▪ Non-human biota▪ EMA issues raised:▪ Amount of coverage required below biologically active zone▪ Scope of re-injection trial work▪ Validity of requirement for non-human biota work▪ Timing of baseline of airborne radiometric survey▪ Use of ‘crittercams’▪ Relevance of Tropicana data
2014	<p>University of Adelaide</p> <p>PhD Candidate A. McLean</p>	Camera Trapping Program	XM	<ul style="list-style-type: none">▪ Research findings on Sandhill dunnarts in SA, hands-on advice on habitat and capture efficiency and identification.
2014	GVD Biodiversity Trust	Camera Trapping Program	XM	<ul style="list-style-type: none">▪ Latest research and findings presented at workshop
2013				
13 December 2013	Meeting with OEPA – Robert Hughes, Helen Butterworth, Mark Jefferies	Discussion on first draft of Mulga Rock Environmental Scoping Document	JT, CW, XM	<ul style="list-style-type: none">• Suggested additions and modifications to transport section and matrix of impact of activities against environmental factors• Nature of the dual State/Commonwealth assessment process• Non-Human Biota, radon flux in tailings storage facility• Stakeholder consultation process• Peer review process
25 October 2013	Amanda McLean, PhD student at Adelaide University	Research on Sandhill Dunnarts	JT, CW, XM	<ul style="list-style-type: none">• Sampling• Habitats where Sandhill Dunnarts have been recorded• Optimal observation windows• Sampling methodology• Observations and feedback from Amanda

DATE	STAKEHOLDER	TOPIC	BY	ITEMS RAISED
September 2013	Dr Robert Hughes, Office of the EPA	Contact by email and telephone re Mulga Rock referral	JT, XM	
22 August 2013	Conservation Council of Australia – Mia Pepper WA Nuclear Free Alliance - Jeanette McGrath, Cultural Awareness and Community Campaigner (a Wongatha woman)	Discussion on Mulga Rock Project following lodgement of s38 referral.	JT	Is a PER sufficient or should there be a public enquiry? Concerns about the distance the product will be transported and if further transport distance means greater risk Tailings – JT explained depth of overburden. MP accepted that Mulga Rock different from Toro’s project. CCWA in process of analysing fauna and flora reports.
7 August 2013	Goldfields Esperance Development Commission – Robert Hick, CEO Department of Regional Development and Lands – Colin Slattery, Director of Regional Development	Mulga Rock Project outline at Diggers and Dealers – Goldfields Art Centre	JT	Transport options
16 and 17 July 2013	Australian Uranium and Rare Earths Conference, Fremantle	Presentation, stand and attendance at conference	JT, XM, MF	Project update
28 June 2013	Michael East, Acting Director Australian Safeguards and Non-proliferation office, ASNO	Email contact to renew contact, initial presentation of Mulga Rock Project	XM	Likely timing of applications for licenses to be issued by ASNO
6 June 2013	Aden McKay, Section Leader, Geoscience Australia	Email contact – general update and presentation of Mulga Rock Project	XM	<ul style="list-style-type: none"> Discovery of Princess deposit Historical records and photographs
19 April 2013	AusIMM International Uranium Conference, Darwin	Attend conference	XM, MF	
2012				
14 December 2012	Joe Benshemesh	Discuss Marsupial mole surveying strategy	XM, CW	
14 December 2012	W.A. DMP, Kalgoorlie (Nick Galton-Fenzi, Daniel Endacott)	Project update	XM, CW	
14 December 2012	W.A. DEC, Kalgoorlie (Julie Futter)	Project update	XM, CW	
11 December 2012	W.A. DMP – Paul Morris and Andreas Scheib	Discuss outcome of passive seismic trial at Mulga Rock	XM, MF	
7 December 2012	Radiation Industry Group	Industry and Company/project update	XM	Lack of certainty in uranium mining at present
6 December 2012	Technical update to W.A. DMP (attendance of ~35)	Give an update on project, project history and geology	XM	Need to preserve drill core for future characterisation work; challenges in dealing with overall complexity of project
20 November 2012	AMEC WA Environmental reform Seminar	Discuss implementation of Mining Rehabilitation Fund and AMEC’s environmental offset strategy	XM	Special case for uranium, practical management of MRF, limitations and lack of clarity re: offsets
12 November 2012	Curtin University, Department of Chemistry	Discuss progress re: organic matter and uranium project	XM	Need for proper drill core for future test-work; further work

DATE	STAKEHOLDER	TOPIC	BY	ITEMS RAISED
19 September 2012	SGS Laboratory, Newburn (WA)	Discuss future analytical needs and requirements	XM, PH	Need for an orientation survey using existing samples
6-8 August 2012	Diggers and Dealers Convention (Kalgoorlie)	Industry update	SM, DC, XM	
3 August 2012	W.A. DMP (R. Sellers, T Griffin, I. Roberts, P. Gorey)	Meet and greet and company update	SM, XM, CW	Permitting and project timelines On-going consultation with DMAs Environmental offsets
19 July 2012	Uranium Conference, Fremantle (RIU)	Company and project update	XM	
16 July 2012	Shohei Yamane (Sojitz)	Project update	MF	Sojitz wanting to make an investment in U project next year
28 June 2012	Phil Ashley and Peter Nolan (Pac Road)	Project update	MF, SM	
27 June 2012	AMEC meeting	Discussions with other WA resource companies	MF	
12-15 June 2012	AUSIMM Uranium conference	Meetings with potential service providers/ PFS managers	MF, XM	
17 May 2012	Uranium ores and organic matter meeting, CET (UWA University)	Technical presentation/discussion	XM	
8 May 2012	Michael Besley (Ellerston Capital)	Project update	MF, DV	
26 April 2012	AUA WA members meeting	Development issues specific to WA	MF	Political/sovereign risk
18 April 2012	Trident, Euroz, Argonaut	Project update	MF	
17 April 2012	Hartleys, Alto Capital, Oceanic Capital	Project update	MF	Litigation is major obstacle to project funding
16 April 2012	John Morton (IMC)	Project update	MF	
3 April 2012	South Australian brokers	Project update	MF	
13 March 2012	Meeting with L. Milne and C. Mack (Curtin University)	Technical discussion regarding future palynology work	XM, MF, AD	Result to date On-going funding of PhD work Regional integration
9 March 2012	H. Sans (Omega Consulting)	Review of current sampling practices	XM, AD, PH, LP	Best practice going forward
23 February 2012	GSWA (Fremantle)	Open day	XM	
22 February 2012	CET (UWA University)	Discuss research proposal (Uranium ores and organic matter)	XM, MF, AD	Access to Mulga Rock samples and infrastructure
16 February 2012	David Freeman (Areva)	Discussion of logistical issues	XM, MF	
11 January 2012	Stuart Thompson (Montpellier)	Funding options from the UAE or India	MF	UAE only fund project if part of a larger business model to create industry in UAE

October 2008	What's Down the Track? Conference in Kalgoorlie	What's Down the Track is a joint effort between Kalgoorlie-Boulder Chamber of Commerce & Industry, the Chamber of Minerals & Energy's Eastern Regional Council, with the support of the Goldfields-Esperance Development Commission. The intent of the forum is to provide the business and wider community with a practical perspective of planned activities within the Goldfields-Esperance region over the next 1 to 3 years. Given the resource sector is our predominant industry, mining will be the primary focus of the forum.	CD
