The Directors have determined in accordance with Regulations 7.11.37 and 7.11.38 of the Corporations Regulations 2001 (Cth) that the persons eligible to vote at the Annual General Meeting are those who are registered Shareholders at 9.30am (WST) on 27 November 2021.

HOW TO VOTE

Shareholders can vote by either:

- * attending the meeting and voting in person or by attorney or, in the case of corporate shareholders, by appointing a corporate representative to attend and vote; or
- * appointing a proxy to attend and vote on their behalf using the proxy form accompanying this Notice of Meeting and by submitting their proxy appointment and voting instructions in person, by post or by facsimile.

VOTING IN PERSON (OR BY ATTORNEY)

Shareholders, or their attorneys, who plan to attend the meeting are asked to arrive at the venue 15 minutes prior to the time designated for the meeting, if possible, so that their holding may be checked against the Company's share register and attendance recorded. Attorneys should bring with them an original or certified copy of the power of attorney under which they have been authorised to attend and vote at the meeting.

VOTING BY A CORPORATION

A Shareholder that is a corporation may appoint an individual to act as its representative and vote in person at the meeting. The appointment must comply with the requirements of section 250D of the Corporations Act. The representative should bring to the meeting evidence of his or her appointment, including any authority under which it is signed.

PROXIES

A Shareholder entitled to attend and vote has a right to appoint a proxy to attend and vote instead of the Shareholder. A proxy need not be a Shareholder and can be either an individual or a body corporate. If a Shareholder appoints a body corporate as a proxy, that body corporate will need to ensure that it:

- * appoints an individual as its corporate representative to exercise its powers at the meeting, in accordance with section 250D of the Corporations Act; and
- * provides satisfactory evidence of the appointment of its corporate representative.

If such evidence is not received, then the body corporate (through its representative) will not be permitted to act as a proxy.

A Shareholder that is entitled to cast two or more votes may appoint two proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If two proxies are appointed and the appointment does not specify the proportion or number of votes that the proxy may exercise, section 249X of the Corporations Act takes effect so that each proxy may exercise half of the Shareholder's votes.

If a proxy is not directed how to vote on an item of business, the proxy may vote, or abstain from voting, as they think fit. Should any Resolution, other than those specified in this Notice, be proposed at the meeting, a proxy may vote on that Resolution as they think fit. If a proxy is instructed to abstain from voting on an item of business, they are directed not to vote on the Shareholder's behalf on the poll and the shares that are the subject of the proxy appointment will not be counted in calculating the required majority.

Shareholders who return their proxy forms with a direction how to vote but do not nominate the identity of their proxy will be taken to have appointed the Chairman of the meeting as their proxy to vote on their behalf. If a proxy form is returned but the nominated proxy does not attend the meeting, the Chairman of the meeting will act in place of the nominated proxy and vote in accordance with any instructions. A Restricted Voter who is appointed as a proxy will only vote on Resolution 1 and Resolutions 4 to 9 (inclusive) in the circumstances set out in the Notice of Meeting in relation to each of these Resolutions respectively. Shareholders should note that the Chair intends to vote any undirected proxies in favour of all of these Resolutions.

EXPLANATORY MEMORANDUM

This Explanatory Memorandum is intended to provide Shareholders with sufficient information to assess the merits of the Resolutions contained in the accompanying Notice of Meeting.

The Directors recommend Shareholders read this Explanatory Memorandum in full before making any decision in relation to the Resolutions. Terms used in this Explanatory Memorandum will, unless the context otherwise requires, have the meaning given to them in the Glossary in Annexure A to this Explanatory Memorandum. The following information should be noted in respect of the various matters contained in the accompanying Notice of Meeting.

1. ANNUAL ACCOUNTS AND REPORTS

The first item of the Notice deals with the presentation of the consolidated annual financial report of the Company for the financial year ended 30 June 2021 together with the Directors' Declaration and Report in relation to that financial year and the auditor's report on those financial statements. Appropriate time will be devoted to the consideration of these financial statements and reports of the Company for the year ended 30 June 2021. No Resolution is required to be moved in respect of this item.

The Company's auditor will be in attendance to take questions about the conduct of the audit, the preparation and content of the auditor's report, the accounting policies adopted by the Company and the independence of the auditor in relation to the conduct of the audit.

2. RESOLUTION 1 ADOPTION OF THE REMUNERATION REPORT

The Board is submitting its Remuneration Report to Shareholders for consideration and adoption by way of a non-binding Resolution. The Remuneration Report forms part of the Directors' Report, included in the 2021 Annual Report. The Remuneration Report:

- * explains the Board's policy for determining the nature and amount of remuneration of Executive Directors and senior executives of the Company;
- * explains the relationship between the Board's remuneration policy and the Company's performance;
- * sets out remuneration details for each Director and the senior executives of the Company (who are defined as being key management personnel); and
- * details and explains any performance conditions applicable to the remuneration of Executive Directors and senior executives of the Company.

The vote on this Resolution is advisory only and does not bind the Directors of the Company. However, the Board will take the outcome of the vote into consideration when reviewing the remuneration practices and policies of the Company.

If 25% or more of votes that are cast are voted against the adoption of the Remuneration Report at two consecutive AGMs, Shareholders will be required to vote at the second of those AGMs on a resolution ('spill resolution') that another meeting be held within 90 days at which all of the Company's Directors (excluding the Managing Director) must offer themselves for re-election. If more than 50% of Shareholders vote in favour of the spill resolution, the Company must convene an extraordinary general meeting ('spill meeting') within 90 days of the second AGM. All of the Directors who were in office when the relevant Directors' Report was approved, other than the Managing Director, will (if required) need to stand for re-election at the spill meeting.

The Company will disregard any votes cast on Resolution 1 by any person, defined as Key Management Personnel (**KMP**) and their Closely Related Parties. KMP of the Company includes each of the Directors and members of management as described in the Company's Annual Report.

At the Company's 2020 annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Meeting.

The Board considers that its current practices of setting executive and non-executive remuneration are well within normal industry expectations and allows the Company to attract and retain the services of the highly skilled key management personnel that it requires. As such the Directors recommend that shareholders vote in favour of the Company's Remuneration Report at Resolution 1.

If you choose to appoint a proxy you are encouraged to direct your proxy how to vote on Resolution 1 **by either marking For, Against or Abstain** on the voting form.

Please note if you appoint the Chair of the Meeting as your proxy, the appointment expressly authorises the Chair to exercise the proxy even though the Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel. The Chairman of the meeting intends to vote undirected proxies that are able to be voted, in favour of the adoption of the Remuneration Report.

The Remuneration Report is set out in the Deep Yellow Limited Annual Report 2021 and is also available on the Company's website (www.deeptyellow.com.au).

RESOLUTIONS 4 and 5 APPROVAL OF ISSUE OF SHARES AND LOAN TO MR J BORSHOFF AND MS G SWABY

Pursuant to Resolutions 4 and 5 the Company is seeking approval under ASX Listing Rule 10.14.1 for the proposed issue of ordinary shares to Mr J Borshoff and Ms G Swaby, whom are both Directors, under the Loan Share Plan (**Loan Shares**) and for the proposed loan to Mr J Borshoff and Ms G Swaby to assist them to acquire such shares under the Share Plan, on the terms set out below.

The Board considers it highly desirable for shareholders if J Borshoff and G Swaby are directly aligned to shareholders through the award of shares under the Share Plan. Overview of the proposed share issue and loan

EXPLANATORY MEMORANDUM

Number of Shares	The number of shares that J Borshoff receives will be 1,374,863. The number of shares that G Swaby receives will be 753,347.
Value of Loan Shares	The value of the shares has been determined using a Black & Scholes Option Pricing Model. (See Worked Example below) This model accords with the AASB2 Share Based Payment standard treatment, whereby the Loan Shares are treated as an in-substance option.

Worked Example

- (i) the exercise price for each Loan Share is \$1.208;
- (ii) each Loan Share has an expiry date of as noted, and it is assumed that they will be exercised immediately prior to the expiry date;
- (iii) the closing price of Shares traded on ASX on 26 September 2021 was \$0.98;
- (iv) a risk-free rate of 0.78% has been adopted for STI and 1.44% has been adopted for LTI ;
- (v) a volatility factor of 80% has been adopted.

The table below sets out the estimated value of the Loan Shares and the estimated financial benefit to be received by Messrs Borshoff and Swaby, applying the above valuation, as at 29 September 2021.

Director	Loan Shares	Value per Security	Expiry Date	Total value
Borshoff	STI	\$0.772	30 Nov 2031	\$213,200
	LTI Service Based	\$0.772	30 Nov 2031	\$151,700
	LTI Hurdle Based	\$0.613	30 Nov 2031	\$340,300
Swaby	STI	\$0.674	30 Nov 2028	\$97,500
	LTI Service Based	\$0.772	30 Nov 2031	\$87,750
	LTI Hurdle Based	\$0.613	30 Nov 2031	\$188,500

Issue Price

The market value of the shares can only be determined post their issuance after the AGM. This is because the shares are required to be issued at the market share price post the AGM.

Accordingly, the value of the Loan Shares may differ from the value stated above.

The key inputs to the valuation model are the share price at the issue date of the shares, the expected volatility in the share price, the dividend yield expected on the shares, the risk-free interest rate and the life of the loan.

The Shares will be issued at a price equal to the 5-day VWAP for the period including the day of issue. A Loan will be provided equal the 5 VWAP issue price times the total number of shares to be issued.

Rights attaching to the Shares	Subject to the terms of the Share Plan, the Shares will carry the same rights as other ordinary shares in the Company.
---------------------------------------	--

Date of issue	If shareholder approval is obtained, the shares are expected to be allotted on or about 26 November 2021 and, in any event no later than 1 month after the AGM.
----------------------	---

Vesting Conditions	The shares will be split into 4 tranches and will vest as per the following table. Further details of the split between STI and LTI grants are set out above under the heading 'Equity Incentive Award'.
---------------------------	--

Share Award	Tranche	Performance condition	Vesting Date
267,919	1	N/A	30 November 2022

The Loan Shares are being provided for both an STI and an LTI award and the resulting loan term is different for each. The Loan must be repaid by Mr Borshoff on the earlier of 10 years (STI portion) and 10 years (LTI portion) after the issuance of the shares; and for G Swaby on the earlier of 7 years (STI portion) and 10 years (LTI portion) and the occurrence of:</p> <p>(a) in the case of vested shares, the date being 12 months after:</p> <ul style="list-style-type: none"> - the SMS consulting agreement ceases for any reason in respect to J Borshoff or - the Strategic consulting agreement ceases for any reason in respect termination of G Swaby's engagement with the Company; or <p>(b) one of the circumstances set out in the summary of the Share Plan in Annexure B.</p> <p>J Borshoff and G Swaby may repay the Loan at any time after the shares are vested but in no case, more than the respective terms after the issue date of the shares. Specifically, if the performance based vesting conditions are not met then the shares will be forfeited, with the forfeited shares treated as full consideration for the repayment of the Loan. In this case, J Borshoff and G Swaby would forfeit any value attached to the shares.</p>

All issues under this plan are set out in this table. Other than those issues, no person referred to in ASX Listing Rule 10.14 has received securities under the Share Plan.</p> <p>ASX Listing Rule 7.1 provides that shareholder approval is required for an issue of securities if the securities will, when aggregated with the securities issued by the entity during the previous 12 months, exceed 15% of the number of securities on issue at the commencement of that 12-month period.</p>

EXPLANATORY MEMORANDUM

However, if approval is given under ASX Listing Rule 10.14, approval will not be required under ASX Listing Rule 7.1. This means that shares issued pursuant to this approval will not use up any part of the 15% capacity available under ASX Listing Rule 7.1.

Additional Regulatory Requirements - ASX Listing Rules

ASX Listing Rule 10.14 requires a listed entity to obtain shareholder approval for the acquisition of securities under an employee incentive scheme by a director of the entity, an associate of that person or a person whose relationship with the entity or the person referred to under Resolutions 4 and 5 respectively are, in ASX's opinion, such that approval should be obtained.

The proposed issue of Loan Shares does not fall within any of the exceptions to Listing Rule 10.14 on the assumption that the issue of securities will be satisfied by the issue of new ordinary shares.

Pursuant to and in accordance with ASX Listing Rule 10.15, the following additional information is provided in relation to Resolutions 4 and 5:

- Messrs Borshoff and Swaby are Directors and related parties and therefore fall under Listing Rule 10.11.1.
- details of the remuneration package for Messrs Borshoff and Swaby are shown below

Director	Salary and fees inclusive of superannuation and the value of share based payments
Mr John Borshoff	\$1,040,480 ¹
Ms Gillian Swaby	\$672,014 ¹

¹ The amounts shown include \$548,480 and 349,559 respectively for the value of share based payments

If resolutions 4 and 5 are approved by shareholders the Company will be able to proceed with the issue of the respective Loan Shares as outlined. If shareholder approval is not obtained the Loan Shares will not be issued and the Company will need to consider other forms of incentivising the Messrs Borshoff and Swaby.

Details of any securities issued under the scheme will be published in the Company's annual report relating to a period in which they were issued, along with a statement that approval for the issue was obtained under listing rule 10.14. Any additional persons covered by Listing Rule 10.14 who become entitled to participate in the scheme after the resolution is approved and who were not named in the notice of meeting will not participate until approval is obtained under that rule.

The Share Plan provides that Shares acquired under the plan may be satisfied by the issue of new shares or the acquisition of shares (whether on-market or off-market). Resolutions 4 and 5 are being put to shareholders to preserve the flexibility for the Company to satisfy the acquisition of shares by J Borshoff and G Swaby by the issue of new shares.

Regulatory Requirements - Corporations Act

The issue of new shares or the acquisition of shares (whether on-market or off-market) under the Share Plan, may constitute the giving of a financial benefit to a related party of the Company, for which member approval is usually required pursuant to section 208 of the Corporations Act.

There are various exceptions to the requirement for member approval. This includes, in accordance with section 211 of the Corporations Act, where the benefit is remuneration to a related party as an officer or employee of the Company, and to give the remuneration would be reasonable given:

- * the circumstances of the Company in giving the remuneration; and
- * the related party's circumstances (including the responsibilities involved in the office or employment).

The Board is of the view that, given the Shares will be issued or acquired under the Share Plan, and in their determination will be reasonable and in line with commercial fees ordinarily accruing and forming part of a remuneration package, the exception in section 211 of the Corporations Act will apply to the issue of the Shares

Accordingly, the Company is not seeking the approval of Shareholders under section 208 of the Corporations Act.

EXPLANATORY MEMORANDUM

Directors' recommendation

The Board (other than J Borshoff and G Swaby) considers that the proposed issue of shares under the Share Plan is appropriate and is in the best interests of the Company and its shareholders, as the issue of shares strengthens the alignment of both J Borshoff and G Swaby's interests with shareholders, and the shares provide a strong link between the reward for executive performance and Company performance over the long term. As the Loan Shares are subject to vesting conditions, if such conditions are not met the Loan Shares will be forfeited.

The Board also considers that obtaining shareholder approval to allow the Company to deal with shares under the Share Plan upon either of J Borshoff and G Swaby ceasing employment in accordance with the Share Plan is appropriate and in the best interests of the Company and its shareholders. It will provide the Company with the ability to ensure its ongoing compliance with section 200B of the Corporations Act and with the terms of the issue of those shares.

No recommendation on how to vote on Resolution 4 is made by J Borshoff in light of his direct interest. No recommendation on how to vote on Resolution 5 is made by G Swaby in light of her direct interest.

A voting exclusion applies to this resolution.

The Board (other than J Borshoff and G Swaby) recommends that shareholders vote in favour of resolutions 4 and 5. The Chairman of the AGM intends to vote all available proxies in favour of resolutions 4 and 5.

RESOLUTION 6 APPROVAL TO ISSUE SECURITIES UNDER THE DEEP YELLOW AWARDS PLAN

Background

The Company first adopted the "Deep Yellow Limited Awards Plan" (**Plan**) on 5 October 2010, and it was last approved by Shareholders on 24 November 2017.

Listing Rule 7.2 Exception 13(b) provides that Listing Rule 7.1 does not apply to an issue of securities under an employee incentive scheme that has been approved by the holders of ordinary securities within three years of the date of issue. The Company sought this approval for the Plan at its annual general meeting held on 24 November 2017.

Listing Rule 7.2, exception 13(b), ceases to be available to the Company if there is a material change to the terms of the Plan from those set out in this Notice in Annexure C.

Accordingly, the Company is seeking Shareholder approval under Resolution 6 for the Awards Plan and so that an issue of options or performance rights (**Awards**) under the Plan can fall within the exception to the calculation of the 15% limit imposed by Listing Rule 7.1 on the number of securities which may be issued without Shareholder approval. This will preserve the Company's ability to issue securities under Listing Rule 7.1 for other purposes, such as capital raising.

Separate Shareholder approval will be required before any Director or other related party of the Company can participate in the Plan.

Reasons for the Plan

The reasons for the Plan have not changed. Success for the Company and its Shareholders depends greatly on the people employed by the Company. To maintain and improve performance the Company has an on-going need both to motivate and retain an excellent and dedicated team, and to attract new and high-quality employees.

The Board believes that the Plan will provide an effective means to achieve these ends, in that the continuation of the Plan will:

- encourage management to focus on creating Shareholder value;
- link employee reward with the achievement of the long-term performance of the Company;
- preserve cash;
- encourage valued employees to remain with the Company by giving them the opportunity to participate in the creation of a valuable personal asset – i.e. a financial stake in the Company; and
- enable the Company to attract, as required, individuals of high calibre to bring expertise to the organisation.

At this time, and consistent with the Board's Remuneration Policy, there is no intention for Non-executive Directors to participate in the Plan.

Listing Rules Requirements

In accordance with the requirements of Listing Rule 7.2 Exception 13(b), the following information is provided to Shareholders:

- a summary of the rules of the Plan is set out in Annexure C;

EXPLANATORY MEMORANDUM

- the Plan was previously approved by Shareholders on 24 November 2017. The Company has issued 2,853,874 securities under the Plan since that date;
- the maximum number of Securities proposed to be issued under the Plan, following Shareholder approval, will be 17,420,734 (being 5% of the number of the Company's fully paid ordinary shares on issue as at the date of this Notice). However it is not proposed to issue the maximum number for which approval is sought immediately.
- a voting exclusion statement has been included in relation to Resolution 6.

If resolution 6 is approved by Shareholders the Company will be able to proceed with the issue of incentive securities to eligible participants without the respective securities impacting the Company's issuance capacity under Listing Rule 7.1. If Shareholder approval is not obtained the Company will need to reconsider its plan to incentivise employees and contractors, alternatively, any issue of incentive securities made by the Company will reduce the available issuance capacity [pursuant to Listing Rule 7.1.

The Board considers that the Plan is an appropriate way to assist in the recruitment, reward, retention and motivation of Company personnel and recommend that Shareholders vote in favour of Resolution 3.

RESOLUTIONS 7, 8 & 9 – ISSUE OF SECURITIES TO DIRECTORS

Background

The Company is proposing to issue, pursuant to ASX Listing Rule 10.11, Options to the Non-executive Directors as a component of their remuneration (Director Options), in order to retain their services and keep cash payments to a minimum.

Given the speculative nature of the Company's activities and the small management team responsible for its running, it is considered the performance of the Directors and the performance and value of the Company are closely related.

Following consultation with BDO, an independent remuneration advisor, it was proposed that the level of Director fees payable to the Non-executive Directors be increased through the use of equity in the form zero priced options (ZEPOs).

The number of ZEPOs will be based on a modest value of \$25,000 for Messrs Greene and Reid, they will vest on 1 July 2022 have a NIL exercise price and have an expiry date being 1 July 2025.

For Mr Chris Salisbury the number of ZEPOs will be based on an amount of \$42,000 per annum over three years for a total value of \$126,000, they will vest on 1 July 2022, 1 July 2023 and 1 July 2024 respectively have a NIL exercise price and have an expiry date being 1 July 2026; 1 July 2027 and 1 July 2028 respectively.

Chapter 2E of the Corporations Act

The grant of Director Options to Messrs Greene, Reid and Salisbury will constitute the giving of a financial benefit to a related party of the Company, for which member approval is usually required pursuant to section 208 of the Corporations Act.

There are various exceptions to the requirement for member approval. This includes, in accordance with section 211 of the Corporations Act, where the benefit is remuneration to a related party as an officer or employee of the Company, and to give the remuneration would be reasonable given:

- the circumstances of the Company in giving the remuneration; and
- the related party's circumstances (including the responsibilities involved in the office or employment).

The Board (being the Executive Directors) are of the view that, in light of the consultation with the independent remuneration advisor, that the exception in section 211 of the Corporations Act is relevant to the financial benefits to be granted to Messrs Greene, Reid and Salisbury as they are considered reasonable remuneration.

Accordingly, the Company is not seeking the approval of members under section 208 of the Corporations Act.

Reasons shareholder approval is required

Notwithstanding that the Company is not seeking approval from members under section 208 of the Corporations Act, Listing Rule 10.11 requires a listed company to obtain shareholder approval by ordinary resolution prior to the issue of securities to a related party, which per 10.11.1 includes each of Messrs Greene, Reid and Salisbury as Directors of the Company. The proposed issue of Director Options does not fall within any of the exceptions to Listing Rule 10.12 on the assumption that the provision of benefits will be satisfied by the issue of equity securities to the related parties (or their nominees).

Furthermore, Shareholder approval of the issue of the Director Options under Listing Rule 10.11 means that the grant of the Director Options will not reduce the Company's 15% placement capacity under Listing Rule 7.1.

If Resolutions 7, 8 and 9 are not passed, the Company will not be able to proceed with the respective issue of the Director Options to Messrs Greene, Reid and Salisbury (or their respective nominees) and will need to consider paying cash or other means of remunerating the Non-Executive Directors.

EXPLANATORY MEMORANDUM

Technical Information required by Listing Rule 10.13

- (a) The Director Options will be issued to Messrs Mervyn Greene; Justin Reid and Chris Salisbury (or their nominees), all of whom are Directors and who therefore fall under the category of 10.14.1 for the purposes of Listing Rule 10.13.2;
- (b) The maximum number of Director Options to be issued to each of:
 - a. Messrs Mervyn Greene and Justin Reid (or their nominees) will be based on a value of \$25,000 as at the date of the AGM. (For example – if the value of the Company’s shares is 98 cents at the date of the AGM, each of Messrs Mervyn Greene and Justin Reid (or their nominees) will receive 25,510 Director Options); and
 - b. Mr Chris Salisbury (or his nominee) will be based on a value of \$126,000 as at the date of the AGM. (For example – if the value of the Company’s shares is 98 cents at the date of the AGM, Mr Salisbury (or his nominee) will receive 128,571 Director Options);
- (c) The Director Options will be issued not later than 1 month after the date of the Meeting (or such other later date as permitted by any ASX waiver or modification of the Listing Rules) and it is anticipated that allotment will occur on the same date.
- (d) The Director Options will be issued on the terms and conditions set out in Annexure C;
- (e) The Director Options will be exercisable at any time on or before 5:00pm (WST) 4 years after the vesting date (“Expiry Date”);
- (f) The Exercise Price of the Director Options will be NIL;
- (g) No loans are being provided to the recipients of the Director Options for the acquisition of the securities.
- (h) The Directors current total remuneration package is as follows:

Director	Salary and fees inclusive of superannuation and share based payments
Chris Salisbury*	\$ 13,852
Mervyn Greene	\$ 82,000
Justin Reid	\$ 86,750

*Mr Salisbury was appointed on 12 May 2021 his remuneration package totals \$140,000 including \$42,000 per annum as an allocation of Director Options

- (i) The Director Options are not issued under an agreement.
- (j) The Director Options will be issued for nil cash consideration in lieu of an additional \$25,000 in Director fees for Messrs Greene and Reid and \$42,000 per annum over three years for a total of \$126,000 for Mr Salisbury. Accordingly, no funds will be raised from the issue of the Director Options.

Directors’ recommendation and basis of recommendation

The value of \$25,000 which will be used to form the basis of the number of Director Options to be issued to each of Messrs Greene and Reid has been determined having considered the input and value the Directors provide to the Company and their respective remuneration packages.

The value of \$42,000 per annum over three years totalling \$126,000 which will be used to form the basis of the number of Director Options to be issued to Mr Salisbury has been determined having considered the input and value Mr Salisbury will provide to the Company.

Given the speculative nature of the Company’s activities and the small management team responsible for its running, the performance of the Directors and the performance and value of the Company are closely related.

Because Directors are related parties of the Company, Shareholder approval for the purpose of Listing Rule 10.11 is required before any Shares or Attaching Options can be issued to the Directors.

Each of the Non-executive Directors being Messrs Greene, Reid and Salisbury abstain from making a recommendation in respect of the Resolutions that relate to the issue of Director Options to themselves (or their nominees).

If Resolutions 7 to 9 are passed, the Company will be able to proceed with the issue of Director Options to each of Messrs Greene, Reid and Salisbury. If Resolutions 7 to 9 are not passed, the Company will not be able to proceed with the issue of Director Options and it will need to consider either payment of an appropriate amount of Director fees in cash or an alternate incentive package.

EXPLANATORY MEMORANDUM

The Board, excluding Messrs Greene, Reid and Salisbury, recommend that Shareholders vote in favour of the Resolutions relating to the issue of Options to each of Messrs Greene, Reid and Salisbury as outlined in Resolutions 7, 8 and 9 respectively.

The Chairman intends to vote all available proxies in favour of Resolution 7 to 9.

RESOLUTIONS 10(a) and 10(b) RATIFICATION OF ISSUE OF PLACEMENT SHARES

Placement

On 18 February 2021, the Company announced that it had received firm commitments from various sophisticated and professional investors (**Placement Participants**) identified by Euroz Hartleys Securities Limited and Aitken Murray Capital Partners Pty Ltd (together, **Joint Lead Managers**) to raise approximately \$40.8 million (before costs) through the issue of a total of 62,768,803 Shares in the Company at an issue price of \$0.65 per Share (**Placement Shares**).

Placement Shares issued to Placement Participants who were not Related Parties of the Company were issued by the Company on 24 February 2021 using its issuing capacities under Listing Rules 7.1 and 7.1A. Subsequent ratification of this issue by Shareholders is sought under Resolutions 10(a) and 10(b).

Use of funds raised under the Placement

Funds raised from the Placement will be applied towards:

- a) completion of a Definitive Feasibility Study (DFS) and early development preparation at the Company's flagship Tumas Project (to be completed by mid-late 2022);
- b) ongoing exploration and resource enhancement programs at the Company's 100%- owned Reptile Project and the Nova JV, with a focus on unlocking palaeochannel and basement targets;
- c) disciplined value-creation via selective project acquisition; and
- d) general working capital purposes.

Requirement for Shareholder approval

The Company has issued a total of 62,768,803 Placement Shares under the Placement to the Placement Participants using its issuing capacities under Listing Rules 7.1 and 7.1A, in the following proportions:

- a) 37,305,082 Placement Shares pursuant to Listing Rule 7.1; and
- b) 25,463,721 Placement Shares pursuant to Listing Rule 7.1A.

None of the Placement Participants who participated in the issue of 62,768,803 Placement Shares were or are Related Parties of the Company.

Resolutions 10(a) and 10(b) are ordinary resolutions seeking approval by Shareholders of the ratification of the issue of the 62,768,803 Placement Shares.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The issue of the Placement Shares does not fall within any of these exceptions and, as it has not yet been approved by the Company's Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period from the issue date of the Placement Shares.

A Listing Rule 7.1A mandate allows an entity to increase its 15% limit in Listing Rule 7.1 by an extra 10% if Shareholders approve a special resolution at a company's annual general meeting. The Company's Shareholders approved the extra 10% placement capacity mandate pursuant to Listing Rule 7.1A at the Company's 2020 Annual General Meeting, allowing the Company the ability to place a total of 25% of the fully paid ordinary shares it had on issue at the start of that period.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rules 7.1 or 7.1A and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

EXPLANATORY MEMORANDUM

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval for such issues under the Listing Rules.

To this end, Resolutions 10(a) and 10(b) seek Shareholder approval for the issue of Placement Shares under and for the purposes of Listing Rule 7.4.

If Resolutions 10(a) and 10(b) are passed, the issue of the Placement Shares will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively refreshing the number of equity securities it can issue without Shareholder approval over the 12 month period following the issue date.

If Resolutions 10(a) and 10(b) are not passed, the issue of the Placement Shares will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of equity securities it can issue without Shareholder approval over the 12 month period following the issue date.

Listing Rule information requirements

In accordance with the disclosure requirements of Listing Rule 7.5, the following information is provided in relation to Resolutions 10(a) and 10(b):

(a) **Basis on which Placement Participants were identified**

In respect of Resolutions 10(a) and 10(b), Placement Shares were issued to Placement Participants, being various sophisticated and professional investors identified by the Joint Lead Managers and who are not Related Parties of the Company.

Each Placement Participant is a sophisticated or professional investor within the meaning of section 708(8), (10), (11) or (12) of the Corporations Act, being an investor to whom securities may be issued without a prospectus or other disclosure document.

(b) **The number of securities issued**

- (i) in respect of Resolution 10(a) – 37,305,082 Placement Shares were issued to Placement Participants utilising the Company's placement capacity pursuant to Listing Rule 7.1; and
- (ii) in respect of Resolution 3(b) – 25,463,721 Placement Shares were issued to Placement Participants utilising the Company's additional placement capacity pursuant to Listing Rule 7.1A.
- (iii) The Placement Shares are fully paid ordinary Shares ranking equally with the Company's existing Shares then on issue.

(c) **The date on which the securities were issued**

The Placement Shares were issued by the Company on 24 February 2021.

(d) **The price at which the securities were issued**

For both Resolutions 10(a) and 10(b), the Placement Shares were issued to Placement Participants at an issue price of \$0.65 per Placement Share.

(e) **The use or intended use of the funds raised**

The Company intends to use the funds from the issue of the Placement Shares for the purposes described under the section above titled 'Use of funds raised under the Placement'.

Directors' recommendation – Resolutions 10(a) and 10(b)

The Directors unanimously recommend that Shareholders vote in favour of Resolution 10(a) as it will refresh the Company's issuing capacity under Listing Rule 7.1 and give the Company the flexibility to raise additional working capital through the offer and issue of equity securities, if and as required.

If the Participant does not repay the outstanding balance of the Loan when due, the Company may sell the shares on behalf of the Participant. If the amount received on the sale of the shares is less than the outstanding balance of the Loan, the net proceeds of sale will be accepted in full satisfaction of the Loan, and the Participant will have no further liability under the Loan.
